

Precisely Better Control

Typical Applications (Industrial Joysticks)

CCTV Equipment	Crane Controls	Electric Wheelchairs
Camera Surveillance	Gantry Controls	Hoist Systems
Radio Control Devices	Workboat Equipment	Conveyor Systems
Hand Held Pendants	Marine Equipment	Lift Systems
CMM Systems	Industrial Automation	Winch Systems
Optical Gauging	Remote Vehicle Control	Electric Vehicles
Video Editing Panels	Lighting Controls	Off-Highway Equipment
Video Mixing Panels	Valve Controls	Medical Devices
Scientific Instrumentation	Hydraulic Controls	Robotic Controls
